Contractor states executed supplement and refund would be mailed on approximately 31 January 1955. Follow-up made on 9 February 1955 but cleared source not available to ascertain if documents had been mailed. Follow-up on 11 February 1955 indicates decision will be made on 18 February 1955 if proposed settlement accepted. Company states transportation charges in amount of \$826.46 is outstanding and was not in their claim. Called [REDACTED] on 17 February 1955 and advised favorable consideration would be given to transportation claims if they would formally claim and give reasons as to why it wasn't in their original claim and the amount that they were claiming. Contractor's letter was received and Supplemental Agreement prepared including additional transportation charges of \$826.46. This Supplemental Agreement is being reviewed.

(3) Settlement Letter to Contractor

25X1A

[REDACTED]

Contractor's letter dated 30 September 1954 requested clarification of certain disallowed costs prior to executing settlement. Contractor's letter was forwarded to ICAB on 8 October 1954. Upon receipt of reply, further information regarding capital equipment account and method used for depreciation was requested from the contractor in accordance with ICAB memorandum. This letter was mailed to the contractor on 24 Nov. 1954. Contractor contemplates reply will be made on 21 January 1955. Follow-up on 1 February 1955 discloses the company will forward letter during week of 7 February 1955. Follow-up on 23 February 1955 discloses company will mail letter on 24 February 1955. Letter reply has not yet been received from Contractor.

(4) Settlement Agreement To Contractor

25X1A

[REDACTED]

* Follow-up letter prepared 19 January 1955 requesting return of agreement. Contractor advised on 1 February 1955 that only two more weeks or 14 February 1955 would be allowed for reaching a decision as to agreement to settlement. Contractor's reply received 14 Feb. 1955 disagreeing with settlement. Supplemental Agreement mailed on 28 Feb. 1955. Answer due from contractor by 16 March 1955.

** Contractor's letter of 7 February 1955, received 14 February 1955, implies transportation charges in amount of \$5,859.06 was not included in his CPA's claim. Also that they cannot agree to X-ray exception by us in amount of \$296.55. Our letter in answer asks for certification stating transportation charges were not included, if that is a fact, and advises that the \$296.55 will be allowed but that G&A and Profit will not be applied to any of the costs pertaining to the X-ray service. Supplemental Agreement mailed to contractor on 24 Feb. 1955.

waste was discussed between C/SS/OL and C/PSD/SO on 25 February 1955. The C/PSD/SO stated that there is presently a survey under way regarding classified waste disposal by Management and Security, and pending the final outcome of this survey the PSD/SO will recommend and furnish specifications on any containers which the survey may determine are necessary. No further action will be taken by the Procurement Division in this matter until informed of the results of the survey.
